

Georg-R.-Schroubek-Fonds

# Socio-demographic change of European cities and its spatial consequences

## Programme

(last update: 11 April 08)

International Conference

Leipzig, KUBUS conference centre  
14-16 April, 2008

Monday, 14 April

## Monday, 14 April

---

**8:45-9:00, Saal 1A**

---

**Welcome (Sigrun Kabisch)**

**9:00-9:45, Saal 1A**

---

### **Keynote 1**

The second demographic transition: households and urban change  
(*Ray Hall, Philip E. Ogden/ U.K.*)

9:45 – 10:00, COFFEE BREAK

---

**10:00-12:00, parallel sessions**

---

### **Households, housing and housing preferences (Saal 1C)**

Chair: Philip E. Ogden

1. The transformation of housing and household structure in Croatian cities (*Sanja Klempić Bogadi, Dubravka Spevec/ Croatia*)
2. A geography of transitions to adulthood. Residential trajectories of young adults and the socio-spatial effects on Belgian cities (*Katrien Slegers, Mathieu Van Criekingen, Christophe Guisset, Jean-Michel Decroly, Christian Kesteloot, Etienne Van Hecke/ Belgium*)
3. Inner-city transformation in East Central Europe by demographic change – addressing the household dimension (*Annegret Haase, Annett Steinführer/ Germany*)
4. Living in Ostrava Inner City - First Analytical Remarks (*Kateřina S. Janků, Stanislav Martinát / Czech Republic*)

### **New borders between the rich and the poor (Saal 2AB)**

Chair: Dirk Heinrichs

1. Urban poverty and social policy: coping strategies of the means-tested benefit recipients in the post-soviet cities of Vilnius and Kiev (*Jolanta Aidukaite/ Sweden*)
2. Change or Continuity? Socio-Economic Segregation in Łódź (1988-2002) (*Szymon Marcińczak/ Poland*)
3. Gated communities - new millieux and their role in shaping the class identity (*Jacek Gądecki/ Poland*)
4. Shaping of urban space through residential developers (*Maximilian Mendel/ Poland*)

**12:00, foyer**

---

### **Poster session I**

Moderation: Katrin Großmann

- Socio-economic changes of post-socialistic town and their spatial consequences based on the example of Zambrów (*Dorota Gawryluk, Ewa Glińska/ Poland*)

- Social change in the district of Nowa Huta (Kraków, Poland) and the new post-socialist identity (*Karol Janas/ Poland*)
- The changes of household size and structure in Warsaw 1988-2002 (*Dorota Celińska-Janowicz/ Poland*)
- More flats for fewer people. Spatial differentiation of household structures under the influence of demographic change. The case of inner city quarters in traditional industry cities of Bytom and Gliwice (*Dariusz Gierczak/ Germany*)
- The change of spatial distribution of population by educational level in postsocialist city. The case of Łódź/ Poland (*Ewa Szafrńska/ Poland*)
- Reurbanisation processes in Leipzig - Spatio-temporal analyses using an interdisciplinary indicator set (*Nadja Kabisch, Dagmar Haase/ Germany*)
- Migration of population in Polish cities during the socio-economic transformation (*Anna Warych-Juras, Jadwiga Gałka/ Poland*)
- Ústí nad Labem after 1989 – Development by endogenous potential or by external impulses? (*Martin Teplý/ Czech Republic*)

12:45 – 13:30, LUNCH

---

**13:30-15:30, parallel sessions**

---

### **Urban-rural interface: suburbanisation I (Saal 1A)**

Chair: Reinhard Wießner

1. Spatial and demographic growth and transformation of Budapest suburbs at the beginning of the new millennium (*János B. Kocsis/ Hungary*)
2. Urbanization and suburbanization processes in the Czech Republic (*Martin Ouředníček, Jakub Novák/ Czech Republic*)
3. Changes of social structure in urban areas of Riga agglomeration: Case of Salaspils town (*Māris Bērziņš/ Latvia*)
4. Supply-led residential suburbanisation in the Tallinn metropolitan area (*Kadri Leetmaa/ Estonia*)

### **Segregation: dynamics and persistence (Saal 1C)**

Chair: Annett Steinführer

1. Between gentrification and a downward spiral. Socio-spatial change and persistence in residential neighbourhoods of selected Central-East European urban regions (General ideas and first results of an international project) (*Isolde Brade, Christian Smigiel, Carola Neugebauer/ Germany*)
2. Brno agglomeration – changing dynamism (*Ondřej Mulíček, Daniel Seidenglanz/ Czech Republic*)
3. Current migration processes and its repercussions on the old housing stock in East-Central European cities. The case of Poznan (*Alexander Tölle, Michael Beim/ Poland*)
4. Processes of segregation in the post-socialist city of Gdańsk (*Dominika Polanska/ Sweden*)

Monday, 14 April

## **Ageing, housing and mobility (Saal 2AB)**

Chair: Zdeněk Uherek

1. Pattern and consequences of elderly migration within the European and German context (*Klaus Friedrich/ Germany*)
2. Living situation and housing demands of senior citizens (60+) (*Juliane Banse, Holger Oertel/ Germany*)
3. We shall not be moved. Ageing, Housing ownership and Renovation of Southern European city centres (*Paolo Calza bini, Silvia Lucciarini, Alberto Violante/ Italy*)
4. Changing moving pattern of the elderly in the Greater Area of Zurich - the consequences of socio-demographic change and reurbanisation (*Corinna Heye/ Switzerland*)

15:30 – 16:00, COFFEE BREAK

---

## **16:00-18:00, parallel sessions**

### **Urban-rural interface: suburbanisation II (Saal 1C)**

Chair: Michael Gentile

1. Urban demographic reinforcing in Galicia (Spain). Necessity of new scales of governance (*José Antonio Aldrey-Vázquez, Roman Rodríguez-González/ Spain*)
2. Consequences of socio-demographic change on the labour market and public services in suburban regions – Forecasts, strategies and experiences of the German-speaking Community of Belgium (*Patrick Küpper/ Germany*)
3. A suburbanized small town – case study of Modřice near Brno (*Antonín Vaishar, Jana Zapletalová/ Czech Republic*)
4. Social changes in small towns and surrounding rural territories of Latvia (*Ženija Krūzmētra/ Latvia*)

### **Gentrification or reurbanisation? (Saal 2AB)**

Chair: Iwona Sagan

1. The Renewed Residential Attractiveness of Swiss Cities: between gentrification and reurbanisation (*Patrick Rérat/ Switzerland*)
2. Reurbanisation or gentrification? – Demographic and social change in the historical urban core of Budapest (*Kyra Tomay/ Hungary*)
3. Reurbanisation processes in a shrinking city (*Dagmar Haase, Nadja Kabisch/ Germany*)

18:00 – 18:30, COFFEE BREAK

---

## **18:30-20:00, Saal 1A**

### **Keynote 2 with fireplace discussion**

Moderation: Annegret Haase

Transformation in the post-socialist cities in East Central Europe  
(*Grzegorz Węclawowicz/ Poland*)

20:00, ground floor, foyer

---

**CONFERENCE DINNER**

**Tuesday, April 15<sup>th</sup>**

**9:00-9:45, Saal 1A**

---

**Keynote 3**

Urban development in Europe and the role of migration  
(*Heinz Faßmann/ Austria*)

9:45 – 10:00, COFFEE BREAK

---

**10:00-12:00, parallel session**

---

**Impacts of immigration (Saal 1C)**

Chair: Birgit Glorius

1. The spatial distribution of immigrational groups in the Czech Republic and foreigners in selected Czech cities (*Zdeněk Uherek, Jana Pospíšilová/ Czech Republic/ Hungary*)
2. Presence and impact of foreigners in the 8<sup>th</sup> district of Budapest (*Lea Kőszeghy/ Hungary*)
3. Urban migration policy? - How the „Wachsende Stadt Hamburg“ exhausts its legal potentialities to attract promising migrants (*Simon Fellmer/ Germany*)
4. Urban Exclusion patterns in 'new' Europe (*Jolanta Aidukaite, Lisa Kings, Jonas Lindström, Dominika Polanska/ Sweden*)

**Demographic shifts – changing cities? (Saal 2AB)**

Chair: Ray Hall

1. The Second Demographic Transition in European cities – Austria and Hungary compared (*Tim Leibert/ Germany*)
2. Spatial consequences of the demographic changes in Brno and Ostrava (Czech Republic) (*Petr Klusáček, Stanislav Martinát/ Czech Republic*)
3. The Forgotten Landscapes of Migration: Socio-Economic Decline in the Periphery after the Exodus (*Sarah O'Hara, Michael Gentile/ U.K., Sweden*)
4. Green Space Development – Opportunity and Challenge of Spatial Consequences of Socio-demographic Change in Cities (*Stefanie Röbler/ Germany*)

**12:00, foyer**

---

**Poster session II**

Moderation: Dieter Rink

- o Local Cultural Policy(s) and Community Building. The cultural space of places (*Stephanie Lemmens/ Belgium*)
- o Cross-cultural comparison of urban development in Helsinki, Amsterdam and Budapest: spatial housing market structure and area attractiveness (*Tom Kauko/ Norway*)
- o Everyday Life in Brno and Ostrava during Social Transformation: Sociability and Social Relations of Inhabitants of the Inner City (*Jana Grohmannová/ Czech Republic*)
- o Social and demographic changes in inner-city Gdańsk in the context of residential flexibility (*Maja Grabkowska/ Poland*)

Tuesday, 15 April

- Inter-local cooperation as a coping strategy for demographic change (*Dominika Pawleta/ Germany*)
- Residential Property Rights in Shrinking Cities – An Institutional Analysis for Urban Research and Planning – The Case of Zeitz, East Germany (*Bertram Schiffers/ Germany*)
- Shrinking city Brno? Qualitative and quantitative analysis (*Andreas Maas/ Germany*)

12:45 – 13:30, LUNCH

---

**13:30-15:30, parallel session**

---

### **Pathways of the inner city (Saal 1A)**

Chair: Annegret Haase

1. Socio-demographic change in the inner-city of Łódź during the socio-economic transition (*Adam Bierzyński/ Poland*)
2. Demographic forces in the inner-city housing market and sustainable urban renewal (*Adam Radzinski/ Poland*)
3. Socio-demographic changes in the post-socialist city: example of Zagreb (*Vedran Prelogović, Dubravka Spevec/ Croatia*)

### **The diversity of large housing estates (Saal 2AB)**

Chair: Grzegorz Węclawowicz

1. Transformation of housing estates in Prague (*Petra Puldová, Jana Temelová/ Czech Republic*)
2. Diversifying fortunes of large housing estates in Brno (*Katrin Großmann/ Germany*)
3. Gazdagret, Rich Pastures': A Housing Estate in Budapest (*Alma Mira Von der Hagen-Demszky/ Germany*)
4. Persistent residential quality in light of ageing and shrinkage – The panel survey of Leipzig-Grünau (*Sigrun Kabisch/ Germany*)

15:30 – 16:00, COFFEE BREAK

---

**16:00-18:00, Saal 1C & Saal 2AB**

---

### **Cross-border perspectives: challenges of comparison (Saal 1C)**

Chair: Ekkehard Buchhofer

1. Analogies and differences of a shrinking process between Poland and Eastern Germany (*Agnieszka Cieśła/ Poland, Germany*)
2. Responding to Demographic Change: Municipal Public Service in Germany and Poland (*Walter Bartl/ Germany*)
3. Comparative analysis between global trends and local pathways: demographic development in Central-East European urban regions (*Karin Wiest/ Germany*)
4. Spatial structure and social processes in metropolitan areas – a cross-European perspective (*Andrzej Zborowski/ Poland*)

## **Envisioning the future: Trends, scenarios and strategies (Saal 2AB)**

Chair: Henning Nuisl

1. Strategic urban planning – approaches for the regeneration of cities in Eastern Germany (*Manfred Kühn/ Germany*)
2. Municipal governance and communication – The development of urban areas via scenarios and model calculations (*Beate Ginzel, Silke Weidner/ Germany*)
3. Demographic Impact on Urban Neighbourhoods in Germany – Scenarios and Options for Action (*Olaf Schnur/ Germany*)
4. Urban structure and demographic development (*Joachim Geske, Claudia Nobis/ Germany*)

18:00 – 18:30, COFFEE BREAK

---

**18:30-19:30, Saal 1A**

---

### **Final session with impulse statement**

Moderation: Katrin Großmann

Does demography overpower the social question?  
(*Hans-Joachim Bürkner/ Germany*)

**19:30-19:45, Saal 1A**

---

**Conference summary**

**20:30, Kunstverein Leipzig**

---

Kolonnadenstraße 6, 04109 Leipzig

**RECEPTION AT PHOTO EXHIBITION**

**“PERFORATED: OSTRAVA - LEIPZIG - BRNO”**

Meeting point: 19:50 and 20:00 at KUBUS main entrance

Wednesday, 16 April

**Wednesday, April 16<sup>th</sup>**

**9:00-15:00, meeting point (9:00) at KUBUS conference centre**

**Excursion (registration required):**

- Leipzig between decline and growth – contrasts and potentials (*Bertram Schiffers & Bertram Weisshaar*)
